

1880 Mortality Schedule for Cooper County, Missouri

People who died the year previous to 01 June 1880

This listing has been taken from microfilm located at The State Historical Society of Missouri located in Columbia, Missouri. This listing has not been sorted in order to keep related or connected deaths in familial order. As usual, the transcription of faded handwritten documents is difficult to say the least. The user is always encouraged to examine the source document. Corrections will be accepted.
