Fire Destroys Old Wooldridge Home

Bruce

The Boone Bruce Home, near Wooldridge, built in 1844, was almost completely destroyed by fire early Wednesday morning. The home was probably one of the oldest in that section.

Mr. Bruce had built a fire in the kitchen stove and gone out to the barn to do his feeding. When he returned to the house fifteen minutes later, the flames were burning fiercely and efforts to extinguish them were unavailing. Only a few household effects were saved. The loss is partially covered by insurance.
