STORK VISITS  
BUNCETON ON  
FEBRUARY 22

---

February 22 is more than just Washington's birthday to Mr. and Mrs. Walter White, of Bunceton, formerly of Boonville. Why? Because on Feb. 22, last Friday, a baby girl weighing 8 $\frac{1}{2}$  pounds was born to them.

"We'll name her Martha Joan," the Whites said.

"I suppose you are naming her 'Martha' because of Martha Washington," observed Dr. M. A. Jones, of Boonville, the attending physician.

But the Whites were too excited to answer.
