WALKER; DOWDEN; TUCKER; HELSLEY

I am trying to discover more information about my **Walker** family heritage because so very little is known. This **Walker** family spent a great deal of time moving from place to place, therefore it may be hard to keep up. Beginning with **Garner Mack Conco Waker** (1829-1906) and his first wife **Jane Dowden** (--1872) were born in TN. Nothing else is known about her. Apparently the family moved back and forth between Jefferson County IL and White County TN as their children's birthplaces seem to indicate. Their children were **Amanda, George, W. S. "Doc", Robert, Freeman, Mary, Charles and Susan**. By 1879 the family settled to stay in Van Buren Township, Wright County MO. **Robert Lewis Walker** married **Florence Tucker**, possibly born in Jefferson County IL. Nothing is known about this **Tucker** line. I have information about **Robert's** life in Wright County, but the **Walker** and **Tucker** families in TN and IL are lost to this line of the family. Can you help me?
