There are many unmarked graves here, especially in the Hartville section. Some names of people buried here will never be known. In this work, although I do not know the location of their graves, I have placed *** in front of the names of those who are known but who have no gravestones.

Many THANKS to the following for their assistance in our compiling this work: Bob and Doris Allen, Wanda Cope, Bob and Della Dugger, Carol Robertson, Annie Hall and Rex Todd.
