as second class matter, under Act of Congress of July 16, 1894.

**WESTMINSTER COLLEGE**  
FULTON, MISSOURI

Catalogue of Alumni and All Students Registered, 1853-1911

Published by the College as the Bulletin of Information for January, 1911

## GENERAL CATALOGUE, 1853-1911.

Explanatory: The following list contains the names, addresses, vocations, and records so far as known of every student and graduate of Westminster College from the foundation of the college to and including the school year 1910-11.

First, is given the name as registered at entrance; then, the address at that time; next, years of entrance and continuance; next, the degree, if any, gained, and later degrees; next, the vocation entered upon and positions occupied; then, the present address. No degree printed means no graduation. Dates of graduation are a year later than last date of registration. Year figures with commas between mean attendance during those separated years. Year figures with dash between mean in school the years printed and the intervening years; year figures followed by a dash only, mean a present student with his year of entrance.

An urgent request: Let every one who receives or sees this catalog and can make any corrections or give present address for any name here printed, be sure to write the information at once to Westminster College, Fulton, Missouri.
