4475 Gen.

This work was undertaken to assist those people looking for ancestors who were in Cooper County very early. Some of these people stayed as a family, while others moved on, sometimes leaving only one member of a family. Many of them went to Pettis County when it was formed in 1833.

Cooper County was formed from Howard County in 1818, and a good many people came from Barren County and Wayne County Kentucky about that time. Most of these families were related. In 1820 Cooper County reached south to the Osage River.

Additional material is available on some of these families.

The writer is interested in these families and would appreciate hearing from any descendants with additional information.

Mrs. J. R. Carter

25 January 1970.

 he was related. That is questionable. Dates from Ellis family records.

LAST WILL AND TESTAMENT OF ABRAHAM DILLARD, deceased

Washington County, Texas (no date of probate)

Republic of Texas: In the name of God, Amen, I, Abraham Dillard being
Washington County: low in health but of sound mind and memory do
make this my last will and testament in manner and
form following: viz:

- first, All my just debts to be paid
second, All of my estate both real and personal I do give and bequeath unto
my wife, Sarah C. Dillard and to my Infant yet unborn share and share alike
to them and their heirs forever. Hereby revoking all former wills by me
made.
third, I do hereby constitute and appoint Sarah C. Dillard executrix and
J. R. Franklin and D. A. Perry executors of this my last will and testament.
In witness whereof I hereunto set my hand and seal in the presence of these
whose names are hereunto subscribed this 24th day of July 1839.

His
Abraham X Dillard
mark

Signed Sealed Acknowledged and Delivered at the request and wish of the
Testator in the presence of us whose names are hereunto subscribed and
during his life. The day and date before written.

Joseph Hyland : William Roberts
J. B. Stephenson : Benj. Stephenson
Reddin Roberts : Cyrus Parker
John H. Shaffner

Note:

The above Sarah C. Dillard was Sarah C. Kent, daughter of Andrew Kent and
Elizabeth Zumwalt Kent. Andrew Kent died in the Alamo. The "unborn infant"
was Sarah Elizabeth Dillard born in 1840 after her father died. She married
Crawford Burnett. Sarah C. Kent Dillard married in 1841 in Washington Co.
William Henry Harrison Baldrige, a first cousin to her on her mother's (
Zumwalt) side -in fact he was a double cousin and she died the following year
in childbirth. Sarah Elizabeth Dillard was reared, it seems, by Aunts on the
Kent and Gates side. She married Crawford Burnett in the Gates home in
Gonzales Co. in 1857.

J. R. Franklin and Abraham Dillard had a merchandise store in Washington-on-
the Brazos and D. A. Perry was Dr. Ducaleen A. Perry who had married Jane
Gates, a sister of Samuel Gates. Samuel Gates and wife Kathrinne had a son
Samuel Hardin Gates who married Elizabeth Ann Dillard, the daughter of Joseph
Dillard, born 1792 and Susan Beason Dillard. Joseph Dillard died in Washington
Co. in the fall of 1835 and his widow took all of their children to Missouri,
returned in 1837 and married William Burnett. William Burnetts nephew was the
Crawford Burnett who married the above Sarah Elizabeth Dillard.

The above information furnished by Mrs. Sydney Richards, who is a descendant.
