Hickory County, Missouri 1917 Land Owners Plat Book

This is the second Hickory County, Missouri Plat Book that the Archives has printed with Hickory County; the first being the 1880 Plat of Hickory County. This 1917-era book would not have come into being without **Ginger Donohue** and **Ginny Sharp Sommarstrom**. They found this map in the Hickory County Courthouse and persuaded people to let the Archives copy it. They also prepared the index to this book which is a long and tedious process. Anyone who finds this books useful needs to thank them for their work. **Carolyn Snider**, a long-time Archives' volunteer, did setup work on the master copy.

The names are indexed by section, township and range. On page 1 is an index of which township and range are on what page. There is also an outline map of Hickory County on page 2.

Some portions of the map pages are very dark. This is because some of the names on the maps were written in pencil. To copy these penciled names it was necessary to make dark copies of the maps.
