Those names preceded by an asterisk were obtained from sources other than tombstones. Most often I was unable to check their accuracy.

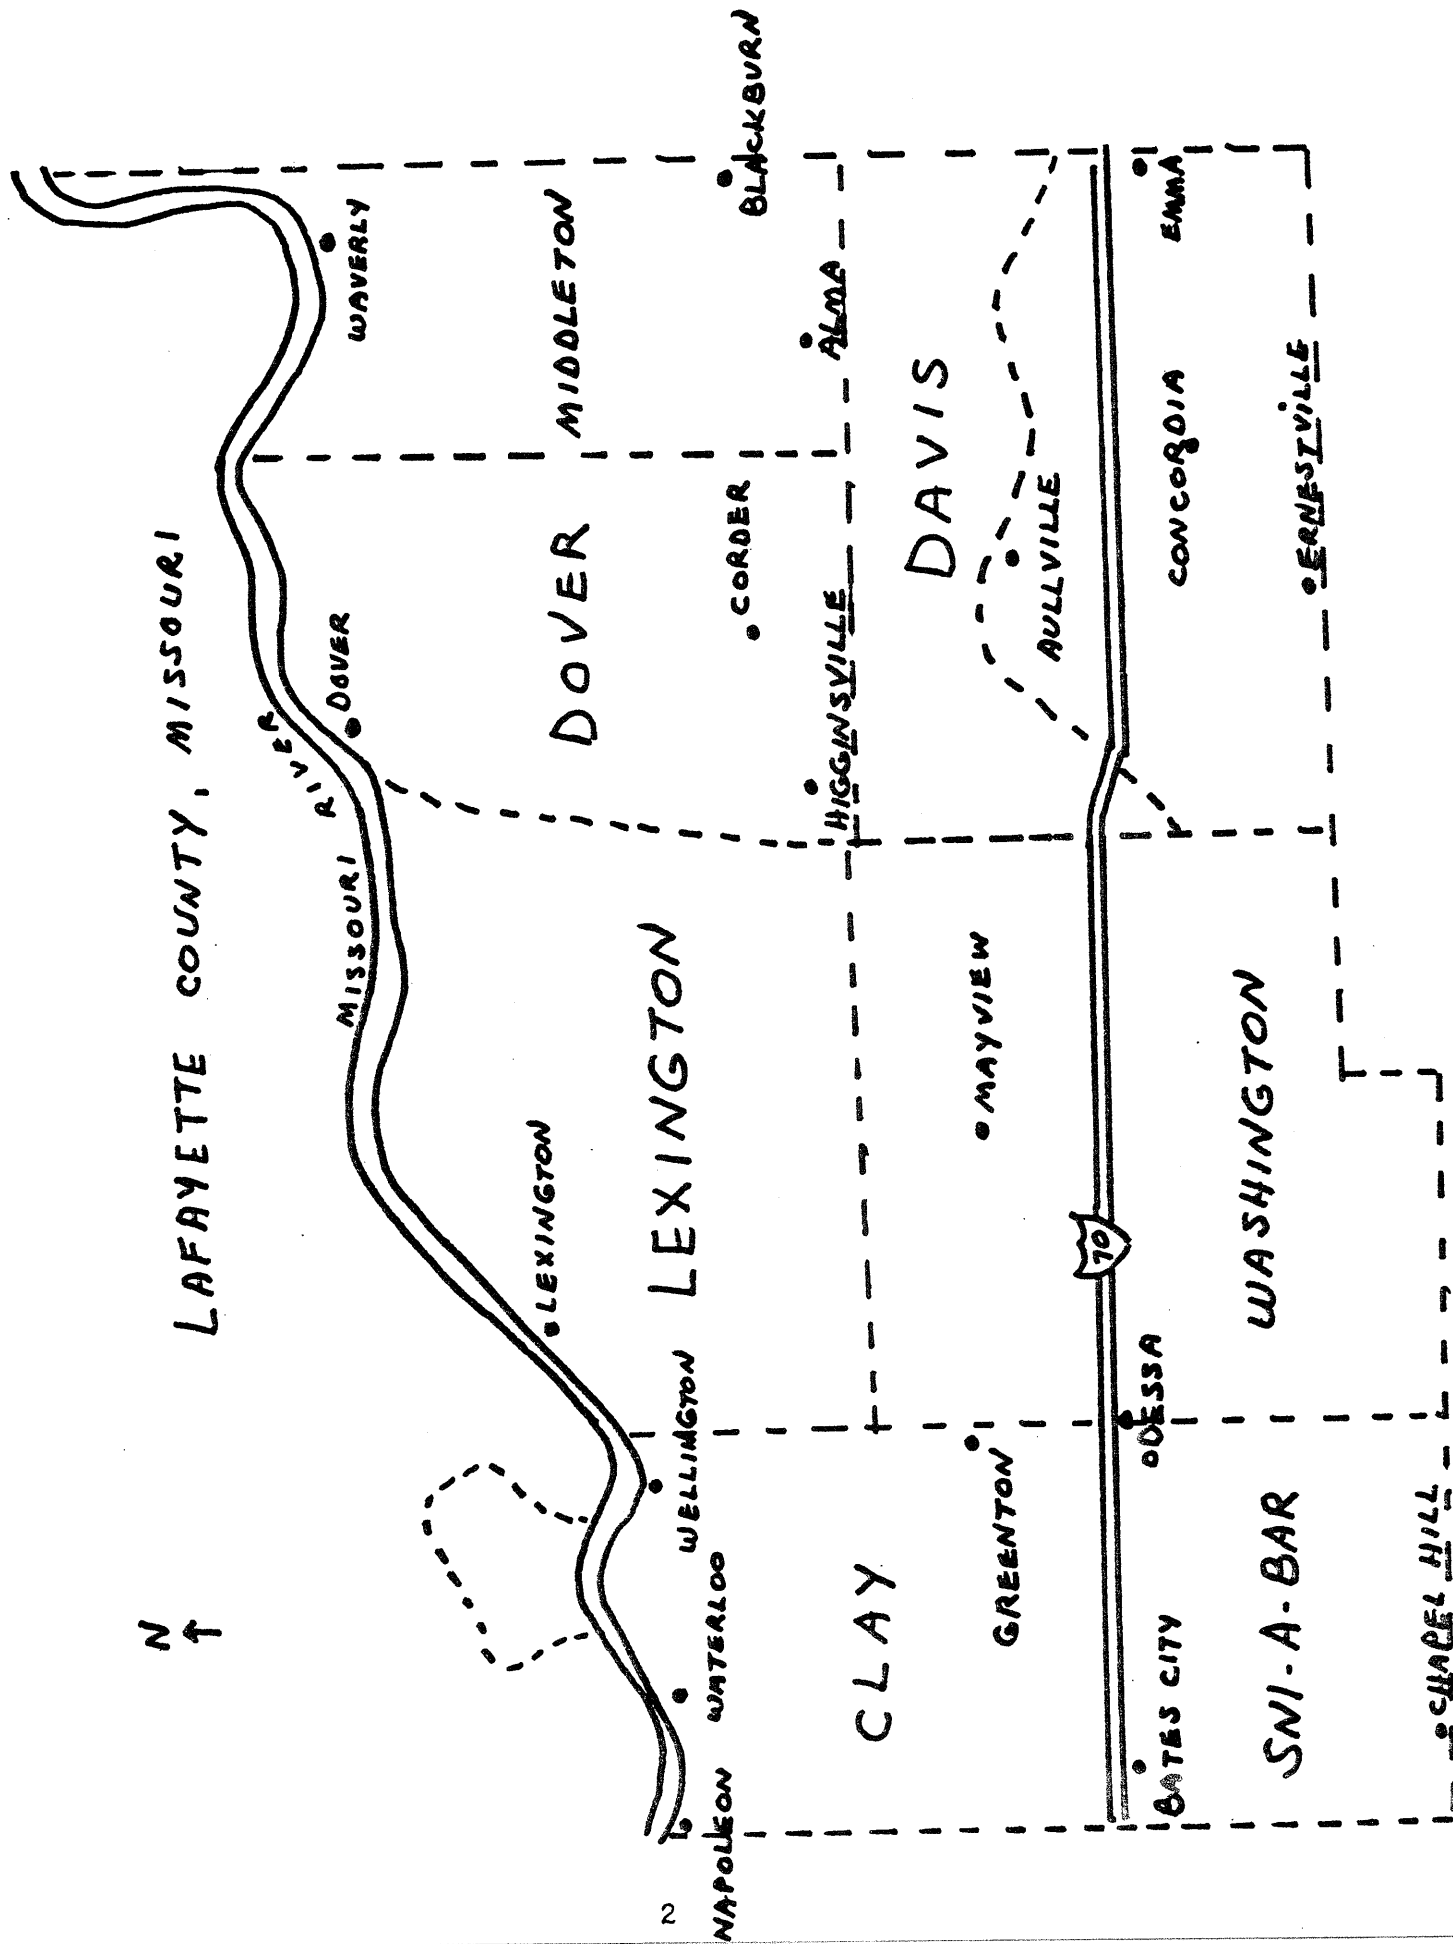

Any letter or number which is underlined indicates the marker very difficult to read and should not be assumed correct.

Monuments bearing several names are spaced together.

Comparable stone; when stones in the immediate vicinity are of like style and color but bear different surnames it is noted:"(Comp.stone to JOHN DOE)".

CHAPEL HILL CEMETERY

Sni-a-Bar Township 48 N.-R. 28 W., Section 31. This area was settled by Archibald, Thomas and Troy RIDINGS about 1837 and named for their native Chapel Hill, North Carolina. Land for the cemetery was entered by Robert Ridings in 1845. A traveling stranger, stopping at the Ridings home, became ill and died. He was carried to a high point of the land and the cemetery established. Earliest marker found: Jesse RIDINGS, born on the Yadkin, (River) North Carolina, 1777 - 1850.

When railroads bypassed Chapel Hill it began to decline and was largely destroyed by fire during the Civil War. Buildings of the Chapel Hill College, started by Archibald Ridings in the early 1840's, were also burned.

WASHINGTON TOWNSHIPPOWELL FAMILY CEMETERY

Washington T. 49 N.- R. 27 W., Section 17. Richard POWELL settled this area around 1824. At the death, in 1829, of his wife, Rachel JEEMS, he buried her on the highest point of his land. Family tradition tells of a family of Gypsies who were camped nearby on the Little Sni -a-Bar Creek about 1902. They lost two small children to summer dysentery and buried them in the Powell cemetery. Shortly after the end of the Civil War, two soldiers wandered by the Powell farm on their way home. They were lost and somewhat inebriated. The Powells gave them permission to sleep in the barn and sent supper to them. When the family arose the next morning, both soldiers lay dead. Apparently, they had quarreled and shot each other. These unknown men also lie in the family graveyard.

SUMMERS FAMILY CEMETERY

Washington T. 48 N.- R. 27 W., Section 22. Caleb and Mary WHITSITT SUMMERS settled in this area around 1836, along with WHITSITT relatives. The land for the cemetery was entered in 1850 by John HELM, Sr. His son, John Calvin HELM, was a son-in-law of Caleb Summers. Cemetery was started at the death, in 1862, of Eliza SUMMERS, wife of David Mc Bride REED.

BARKER FAMILY CEMETERY

Washington T. 49 N.- R. 27 W., Section 7. Land of the Barker cemetery is believed to have been settled by James BARKER in 1829. It is well tended and still accepting burials. Oldest readable stone: Martha J., wife of Stephen W. BARKER 1829 - 1848.

MARVIN CHAPEL METHODIST CHURCH CEMETERY

Washington T. 49 N.- R. 26 W., Section 29. The church no longer standing but cemetery maintained. Several early markers dated 1875.

RAGLAND CEMETERY

This small family plot lies on a hill east of Marvin Chapel Cemetery. Earliest burial 1864.

WASHINGTON TOWNSHIP

MOUND PRAIRIE BAPTIST CHURCH CEMETERY

Washington T. 49 N.-R.26 W., Section 30. Mound Prairie Baptist Church was erected between Mayview and Odessa. When these two towns were formed at a later date many members began to attend their churches as it involved less travel. James Larkin CARMICHAEL was pastor in 1874. The church burned. Mayview Baptist church members are endeavoring to reclaim this graveyard from years of accumulated undergrowth. Oldest tombstone located: Thomas P., son of William and Martha CUNNINGHAM, 1856 - 1857.

MOUNT HEBRON PRESBYTERIAN CHURCH CEMETERY
