This is a historical plat map of a section of Illinois, likely from the 19th century. The map displays a grid of land sections, each numbered (e.g., 1, 2, 3, ..., 36). Each section contains the name of the owner and the acreage of the land. For example, in section 1, the owner is Robert Baker with 295.46 acres. In section 36, the owner is John Gruber with 280 acres. The map also shows geographical features such as a creek (labeled 'Creek') and a school district (labeled 'School District No. 1'). Other notable locations include Danville and Mineola. The map is a detailed representation of land ownership and boundaries in a specific area of Illinois.
