Introduction

The information contained in this book was taken from the 1863 Phelps County Tax Book for 1863. The book is stored in the County Clerk's office at the Court-house in Rolla, Phelps County, Missouri.

My intention for this book was to provide geneological information on the residents of the earliest period of Phelps County history, in conjunction with the Phelps County Court Book A (1857-1865), which I have also published. The 1863 Tax Book is the earliest Tax Book to survive to this date.

In the rural land sections, for residents and non-residents, I did not copy the specific descriptions of the land, only the sections, townships, ranges and acreage owned by each person. If the description is desired you can send a written request to Lucie Smith, Phelps County Clerk. She will advise you of the fees charged for this service.

The Tax Book was organized into three sections: Resident, Non-Resident and Abstract of Conveyance. For simplicity sake, I have organized the information into city and rural property for each section, plus I have placed the personal property taxpayers in a separate section.

Each section is alphabetical, except the previous owners of property in the Abstracts of Conveyance. Their names followed the purchaser in this section. As such, the previous owners have a name index at the back of this book.

I hope you find the information useful.

Best Wishes and Happy Hunting

John Simmons

The following statement was at the end of the Tax Book.

State of Missouri
County of Phelps

I C. P. Walker, Clerk of the County Court within and for the County of Phelps hereby certify that the foregoing abstract of conveyance is a true and correct copy of the transfers of Real Estate for the years from Feb. 1st 1861 to the year Feb. 1st 1863 as on file in my office.

In testimony whereof I have hereto set my hand and affixed the seal of the said court this 26th day of May 1863.

Signed C.P. Walker
County Clerk
